# CREME CAKES

A **VERSATILE** Solution For Your Bakery

R&H® Crème Cake was developed in the 1960's when a test baker added a custard style pie filling and vegetable oil to R&H® White Cake Base.

The crème cake formula remains the same today with a wonderful flavour, a long shelf-life, a delicious pudding style eating texture, incredible fruit suspending capabilities, and remarkable tolerance under the most extreme bakery conditions.

**Dawn's Crème Cake Mixes and Bases are extremely versatile.**

Add just about any flavour or filling to Dawn Crème Cake batter and get rich, flavourful, moist and beautiful muffins, ring cakes, loaf cakes and specialty cakes with excellent shelf-life. Batters made with R&H® Rich Crème® Mixes and Bases are thick and suspend fruit, nuts and other ingredients evenly for amazing taste in every bite.

- **Preferred flavour, appearance and moistness**
- **Long shelf-life** - fewer stales, more efficient production and freeze-thaw stable
- **Thick batter** - suspends ingredients evenly for full taste in every bite
- **Extremely versatile** - helps you produce and sell a variety of products
